## Parent's Permission for Transportation to Athletic Practices

I, \_\_\_\_\_, do hereby give permission for my child,  
\_\_\_\_\_, to travel to school-sponsored practices  
(please check one space only):

by school bus only.

by either school bus or personal vehicle.

by either bus, personal vehicle, or a fellow  
student's vehicle.

I understand that the school requires that each athlete's parent or guardian complete this form at the beginning of the sports season and that the coaches may suspend students from the team who go to a practice by means of an automobile without specific parental approval. I understand that athletes who have not turned in a form to the coach may ride to practices in either a school bus or parent-driven vehicle but may not ride in either their own or another student's car. I hereby release Keystone School from all liability with regard to the transportation of my child from the school to practices or games.

Athletes will normally be driven by school bus or chartered bus to and from games.
